Peter Hvidt and Orla Mølgaard- Nielsen

Danish Architect-Designers Peter Hvidt and Orla Mølgaard-Nielsen worked together from the early 1940s until the 1980s, creating everything from coffee tables to sofas to buildings. It was between the period 1947 and the late 1960s that they designed the furniture for which they are perhaps best known. We enlist the expertise of *Simon Harrison* of Danish Homestore (danish-homestore.com) for tips on buying.
