

Oriana Kivily

Orla Kiely's contemporary take on mid-century inspired pattern has caught the imagination of millions. Following the publication of her new book, *Home*, *Jo-ann Fortune* visited her London house to see the interior Orla created for her own family and to get some sourcing tips from the lady herself.

Interior photography

Richard Powers.

Right: built-in sofa with tapered walnut legs, re-covered in grey wool; vintage stool from eBay re-covered in Orla Kiely Scribble boat print fabric; Orla Kiely Rhododendron wallpaper.
